

KLEC Presents CDP Certificates STAFF REPORT | KLEC

The Kentucky Law Enforcement Council's Career Development Program is a voluntary program that awards specialty certificates based on an individual's education, training and experience as a peace officer or telecommunicator. There are a total of 17 professional certificates; 12 for law enforcement that emphasize the career paths of patrol, investigations, traffic and management; and five certificates for telecommunications. The variety of certificates allows a person to individualize his or her course of study, just as someone would if pursuing a specific degree in college.

The KLEC congratulates and recognizes the following individuals for earning career development certificates. All have demonstrated a personal and professional commitment to their training, education and experience as a law enforcement officer or telecommunicator.

Ted B. Spegal

Customs Officer Wins Competition Shoot

The Department of Criminal Justice Training conducted its 20th annual competition shoot in September, raising \$1,500, with the majority of the proceeds going to the Kentucky Law Enforcement Memorial Foundation. Twenty-six law enforcement officers from 15 agencies participated in the competition.

Sean Lichner (pictured at right), U.S. Immigration and Customs Enforcement agency, won the individual and combat competition. Jeremy Abell, Bowling Green Police Department, finished second and Mike Klein, retired Kentucky State Police, finished third. In the combat-shoot competition, Lichner and Klein tied for first with Lichner winning the tiebreaker.

Klein won the retired officer competition for the second year in a row.

Bowling Green Police Department's Abell and Bernie Wiedemer claimed the team championship.
